At the designated time, the operator will begin drawing and calling balls from the Bingo mixing machine. **Once a total of 4 numbers are called in any single vertical downline row, the winner of the \$250 event prize in the 4 on the Board Game has been determined (see example below 5-20-50-65).** The bingo caller shall announce that there is a winner and ask who is holding the ticket that correctly matches the 4 numbers called in a vertical downline row. After 4 numbers in a vertical downline row are called, there is a winner and the bingo caller shall stop calling numbers. Every possible 4 number combination has been accounted for in the deal of tickets and there will be only one event prize winner.
