CARTOON CASH #936S

CARTOON CASH – is a new 1 window game from Arrow International, combining instant winners & a Bingo Event winner into one game.

The ticket price is \$.50 each with 1200 tickets in a deal.
 The payout is \$405.00 or 67.5%
 The win ratio is 1 in 11.1 tickets

The gross is **\$600.00**
 The ideal profit is \$195.00.

To play, the player would pay \$.50 for a ticket and then open the 1 window on the backside to reveal the symbols.

Instant Winners: If after opening a ticket, the player finds 3 symbols in a row matching an instant winning combination shown on the ticket front and the 3 symbols have a win line, the player is entitled to the prize amount on the ticket front. All instant winners have the Cash Payout feature showing the total amount won and this is depicted in a yellow Cash Payout Box. All instant winning tickets are straight wins; there are no multiple winners in the game.

This game is to be played with a bingo machine, flashboard and bingo balls B1-O75

To play: In addition to instant win tickets, there are 15 total HOLD tickets. These consist of 15 Cartoon Cash characters numbered 1 through 15. To start, once the deal is sold out, the operator shall announce that the Cartoon Cash game with serial #_____ will be played. The operator will now call bingo balls from the bingo machine.

To Determine the \$250 Cartoon Cash downline prize winner - the player holding the ticket with the corresponding Cartoon Cash Character #1 through #15 that matches the first vertical downline completed on the flashboard will win \$250 (i.e. for Cartoon Cash Character #1 to win, the numbers B1, I16, N31, G46 and O61 would have to be called). Once a vertical row is completed, the operator will stop calling bingo balls and announce the Cartoon Cash downline number. The winning Cartoon Cash character number on the ticket corresponding with the top number of the winning vertical row on the bingo flashboard will receive the \$250. There will only be one Cartoon Cash Character downline winner in a deal.

If the game is not completely sold out in one day, the players with the hold insets will sign the sign up card on the line corresponding with the hold number on their hold ticket. This is to ensure when the game is completed, the player will receive their winnings.
