The laws that determine the legality of this product change constantly. It is the responsibility of the buyer to determine which products are legal in any given area. Payouts with a ticket count exceeding 4,000 or a prize payout less than 65% are not available for sale in Pennsylvania or Louisiana. Mississippi max count is 6,000 tickets. Single prize payout maximum is \$500 in LA, \$1000 in MS/VA and \$2,000 in PA.

JACKPOT FLASH #6550KN

JACKPOT FLASH – is 1 window game from Arrow International, combining instant and Bingo Event winners.

The ticket price is \$.50 each with 2100 tickets in a deal.

The gross is **\$1050.00**

The payout is \$750.00 or 71.4%

The ideal profit is \$300.00.

The win ratio is 1 in 46.7 tickets

To play, the player would pay \$.50 for a ticket and then open the 1 window on the backside to reveal the symbols.

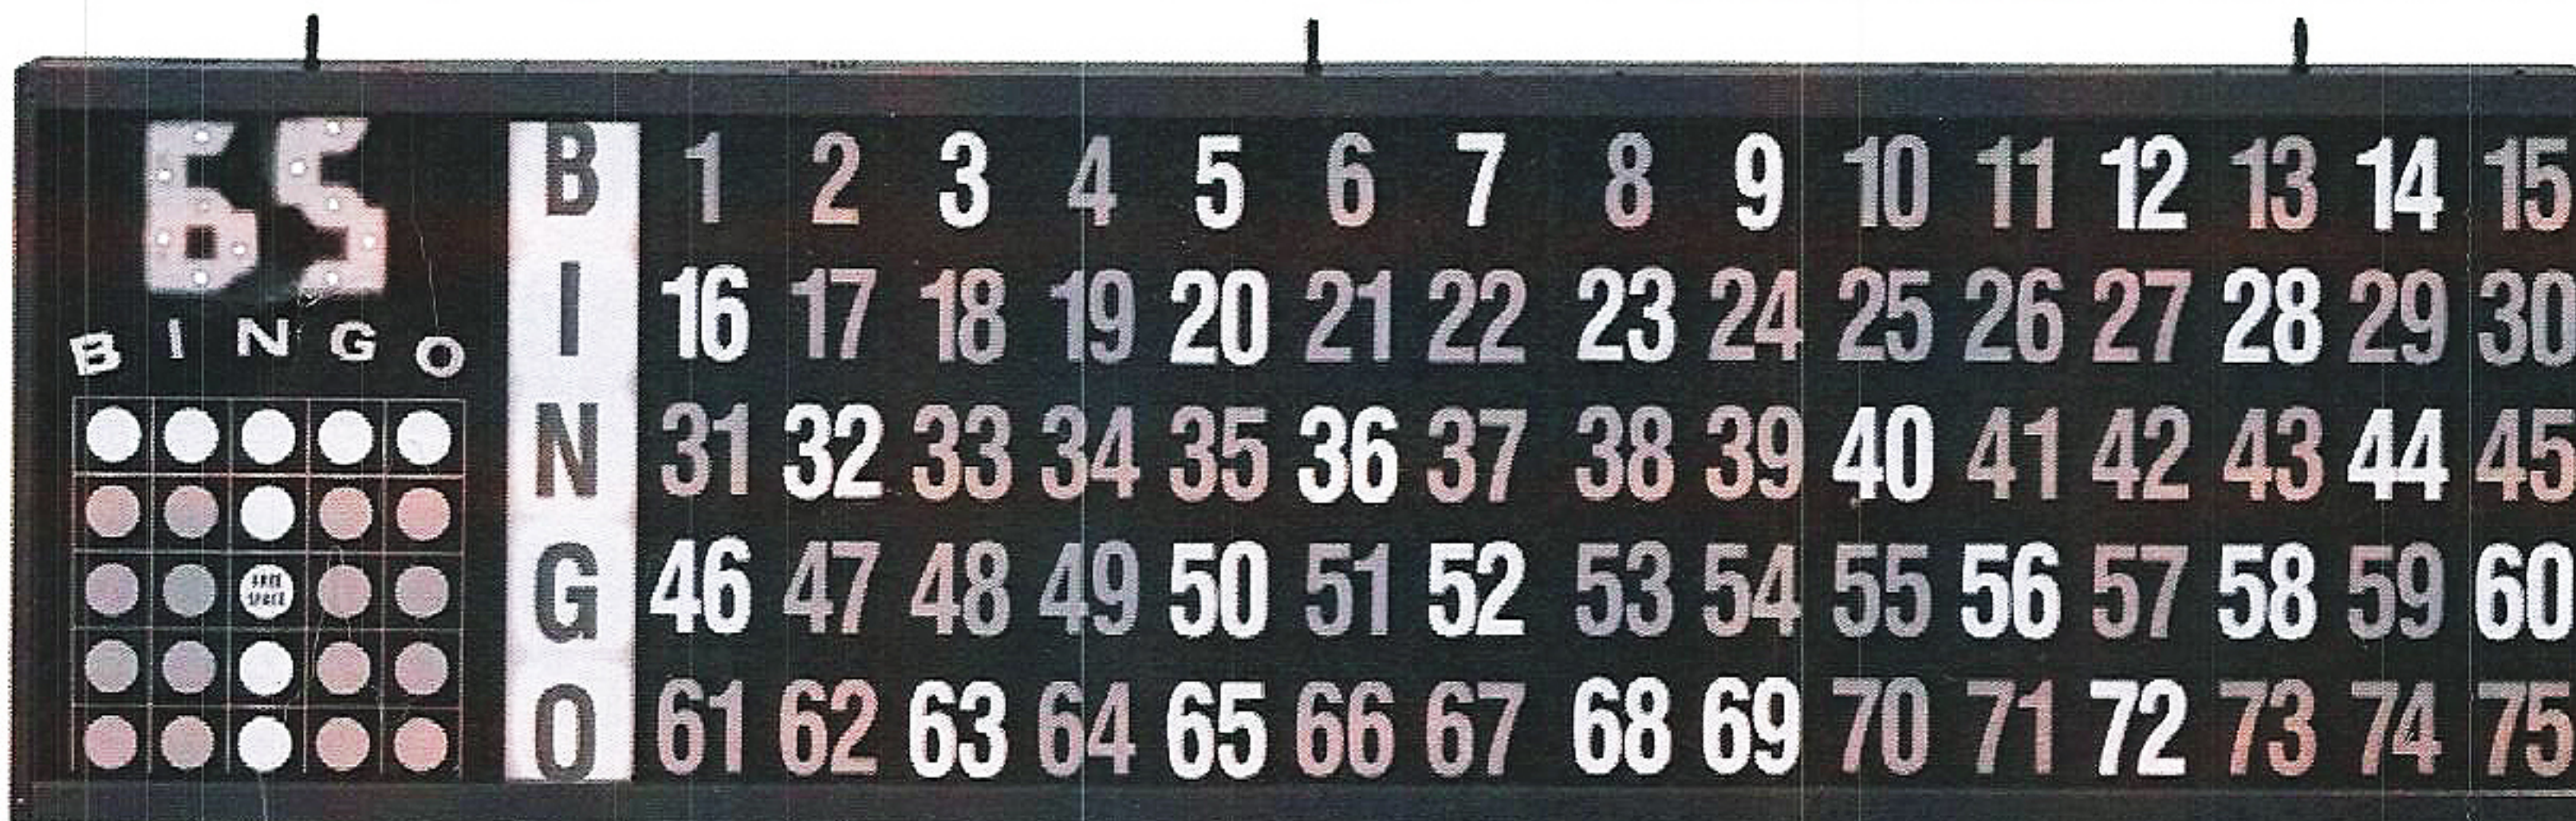

Instant Winners: If after opening a ticket, the player finds 3 symbols in a row matching an instant winning combination shown on the ticket front and the 3 symbols have a win line, the player is entitled to the prize amount on the ticket front.

All instant winners have the Cash Payout feature showing the total amount won and this is depicted in a yellow Cash Payout Box. All instant winning tickets are straight wins; there are no multiple winners in the game.

To play the Bingo Event: JACKPOT FLASH has 150 total hold tickets which include 75 four numbers from a downline holders (1 thru 75) and 75 one ball holders- (B1- O75). The Bingo Event game will be played using the bingo mixing machine plus the flashboard/lighted game board and 75 bingo balls.

To start, after all the tickets in the deal are sold, the operator will announce when JACKPOT FLASH with serial # _____ will be played. At the designated time, the operator will begin drawing and calling balls from the Bingo mixing machine. Once a total of 4 numbers are called in any single vertical downline row, the winner of the \$300 event prize in the Jackpot Flash Game has been determined (see example below 5-20-50-65). If the four numbers from a downline are called in 12 numbers or less the ticket holder will win the Rolling Jackpot prize (\$300 per deal contribution to the Rolling Jackpot). There also is a \$100 event prize for the Holder with the Remaining number not called from the winning downline. The bingo caller shall announce the winner and ask who is holding the ticket that correctly matches the 4 numbers called in a vertical downline row and the remaining Bingo Number from that row. After 4 numbers in a vertical downline row are called, there is a winner and the bingo caller shall stop calling numbers. Every possible 4 number combination has been accounted for in the deal of tickets and there will be only one event prize winner for the four dab prize and one winner for the remaining ball event prize.

The \$300.00 Event prize Example: The winning inset for the flashboard below is 5, 20, 50 and 65. Last number called 65. The Remaining Bingo Ball number from the winning downline **\$100 Event prize** would be the N35 holder.
