“Lets Play” Pony Trifecta Form #602K

“Lets Play” Pony Trifecta— From Arrow International is a new 5-window size, 3 big window game combining instant winners, Bingo Event winners, and a Rolling Jackpot.

The ticket price is \$.50 each with 1200 tickets in a deal
 The payout is \$420.00 or 70%
 The win ratio is 1 in 8.82 tickets

The gross is **\$600.00**
 The ideal profit is \$180.00

To play, the player would pay \$.50 for a ticket and then open the 3 windows on the backside to reveal the symbols.

Instant Winners: If the symbols inside the ticket match the winning combinations on the ticket front, they are a winner. All instant winners have the Cash Payout feature showing the total amount won.

This game is to be played with a bingo machine, flashboard and bingo balls B1-O75

To play: In addition to instant win tickets, there are 90 total HOLD tickets (75 with one Bingo Ball number B1 through O75 and 15 with Horses numbered 1 through 15). To start, once the deal is sold out, the operator shall announce that the “Lets Play” Pony Trifecta game with serial #_____ will be played. The operator will now open the window on the seal card labeled “Lets Play” Pony Trifecta Rolling Jackpot Number and announce the horse hold number. The number under the “Lets Play” Pony Trifecta seal has a chance to win the Rolling Jackpot. The operator will now call bingo balls from the bingo machine.

The first ball called from the bingo machine will determine the \$50 First Ball Called prize winner - the holder of the ticket matching the first ball drawn from the bingo machine wins the \$50 prize.

To Determine the \$100 “Lets Play” Pony Trifecta Derby down line/horserace prize winner - the player holding the ticket with the corresponding Horse #1 through #15 that matches the first vertical down line completed on the flashboard will win \$100 (i.e. for Horse #1 to win, the numbers B1, I16, N31, G46 and O61 would have to be called). Once a vertical row is completed, the operator will stop calling bingo balls and announce the “Lets Play” Pony Trifecta Derby downline/horse number. The winning horse number on the ticket corresponding with the top number of the winning vertical row on the bingo flashboard will receive the \$100. There will only be one Derby down line/horserace winner in a deal.

To Determine the Potential Rolling Jackpot Winner -. If the “Lets Play” Pony Trifecta down line/horse winner number as determined above matches the number under the “Lets Play” Pony Trifecta Rolling Jackpot window on the seal card, the person holding the ticket with that number will win the Rolling Jackpot prize. If not, the \$150 Rolling Jackpot amount will be carried over to the next deal.

If the deal is not completely sold out, the horse holders and the bingo ball holders will sign their names on the sign up lines on the seal card. The deal will be sold at the next bingo session for the specific charity and played as described above.
