## SLAM (#Z370)

**SLAM** - A new 1 big window BINGO EVENT game from Arrow International.

The ticket price is \$0.50 each with 1320 tickets in a deal.

The gross is **\$660.00**

The payout is \$475.00 or 72%

The profit is \$185.00.

The win ratio is 1 in 10.65 tickets on instant winners

To play, the player would pay \$0.50 for the ticket and then open the 1 BIG window on the backside to reveal the symbols. If the symbols inside the ticket match the winning combinations on the front, the player is a winner. All winners will have the Cash Payout® feature showing the amount won.

**Last Ball Called Prize:** There are 75 "hold" tickets with the same bingo ball number (B1-O75) appearing 3 times within the 1 window. This portion of the game is played in conjunction with a designated bingo game, using the flashboard. During the designated game, the holder of the ticket with the last valid bingo ball called wins the \$50.00 bingo event prize.

**Slam Prize:** There are 25 unique SLAM tickets (individually numbered 1-25), each with 3 different numbers appearing within the 1 window. During the designated bingo game, the first player who dabs all 3 slam numbers on a ticket wins the \$225.00 prize. On average, there will be one winner in an average of 15 bingo balls having been called. The player with the SLAM ticket that has all 3 of those numbers printed on his/her ticket will win the SLAM coverall prize. **If the designated bingo game ends before the Slam winner is determined, simply continue calling balls until a Slam winner is determined. ALL 25 SLAM TICKETS ARE UNIQUE AND WILL GIVE A SINGLE WINNER.**
