

# BETTY BOOP SALUTES THE TROOPS #994B

**BETTY BOOP SALUTES THE TROOPS** – From Arrow International is a new 5-window size, 3 big window game combining instant winners, Bingo Event winners, and a Rolling Jackpot.

The ticket price is \$.50 each with 2119 tickets in a deal.

The gross is **\$1059.50**

The ideal profit is \$294.50.

The payout is \$765.00 or 72.2%

The win ratio is 1 in 10.09 tickets

To play, the player would pay \$.50 for a ticket and then open the 3 windows on the backside to reveal the symbols.

**Instant Winners:** If the symbols inside the ticket match the winning combinations on the ticket front, they are a winner. All instant winners have the Cash Payout® feature showing the total amount won.

**This game is to be played with a bingo machine, flashboard and bingo balls B1-O75 and a seal card.**

**To play:** In addition to instant win tickets, there are 90 total HOLD tickets (75 with one Betty Boop Bingo Ball number B1 through O75 and 15 with Betty Boop Downlines numbered 1 through 15). To start, once the deal is sold out, the operator shall announce that the Betty Boop Salutes the Troops game with serial # \_\_\_\_\_ will be played. The operator will now open the window on the seal card labeled Betty Boop Rolling Jackpot window and announce the Betty Boop holder number. The number under the Betty Boop Rolling Jackpot window seal has a chance to win the rolling jackpot. The operator will now call bingo balls from the bingo machine.

**The first ball called from the bingo machine will determine the \$100 First Ball Called prize winner** - the holder of the ticket matching the first ball drawn from the bingo machine wins the \$100 prize.

**To Determine the \$200 Betty Boop down line prize winner** - the player holding the ticket with the corresponding Betty Boop #1 through #15 that matches the first vertical down line completed on the flashboard will win \$200 (i.e. for Betty Boop #1 to win, the numbers B1, I16, N31, G46 and O61 would have to be called). Once a vertical row is completed, the operator will stop calling bingo balls and announce the Betty Boop downline number. The winning Betty Boop number on the ticket corresponding with the top number of the winning vertical row on the bingo flashboard will receive the \$200. There will only be one down line winner in a deal.

**To Determine the Potential Rolling Jackpot Winner** - If the Betty Boop down line winner number as determined above matches the number under the Betty Boop rolling jackpot window on the seal card, the person holding the ticket with that number will win the rolling jackpot prize. If not, the \$200 rolling jackpot amount will be carried over to the next deal.

**To Determine the Place and Show seal card winners** - The operator will now open the 2 bottom windows on the seal card labeled Place and Show. Open the Place window first and announce the holder number (B1-O75) \$50.00 winner and then open the show window and announce the holder number (B1-O75) \$25.00 winner and award the prizes.

If the deal is not completely sold out, the Betty Boop holders and the bingo ball holders will sign their names on the sign up lines on the seal card. The deal will be sold at the next bingo session for the specific charity and played as described above.
