How to Play

To play, the player would pay \$0.50 for the ticket and then open the three windows on the backside to reveal the symbols. If the symbols inside the ticket match the winning combinations on the front of the ticket, they are a winner. All instant winners will have a cash payout showing the amount won. There are 2,040 tickets in a deal with 143 instant winners.

Seal Card Instructions

In addition, there are 75 "HORSE" HOLD tickets in the deal (15 appearing in RED, 15 appearing in WHITE, 15 appearing in BLUE, 15 appearing in GREEN and 15 appearing in PURPLE), each identified by a unique number 1 through 15. Players holding a "HORSE" HOLD ticket sign their name on the corresponding sign-up line on the seal card. This ensures that if the game is not completely sold out in one day, the players will receive their winnings.

Once the game is completely sold out, the operator will announce the name of the game "MOUNTAIN RACING" and serial number, and that the game is now in play. The "HORSE" HOLD winner is determined by the first vertical row to be completely called on the bingo board. Each player (5 total) holding a "HORSE" ticket with the number matching the number at the top of the first completed vertical row on the bingo board qualifies for seal card play. For example, as shown in the sample at right, if B-13, I-28, N-43, G-58 and O-73 are called, completing a vertical row on the bingo board, the winning "HORSE" holder is HORSE number 13. Each player holding a ticket with HORSE number 13 in either RED, WHITE, BLUE, GREEN or PURPLE qualifies for seal card play.

Once the qualifying "HORSE" HOLD number has been determined, the operator will open the four \$20 seal windows, each revealing a different color (word). Each player holding a "HORSE" HOLD ticket with a color matching a color revealed is awarded a \$20 prize. The player holding a "HORSE" HOLD ticket with the color that does not match one of the colors revealed is awarded \$10 and that player is eliminated from further play. The operator will then open the three \$30 seal windows, each revealing a different color (word). Each player holding a "HORSE" HOLD ticket with a color matching a color revealed is awarded a \$30 prize. The player holding a "HORSE" HOLD ticket with the color that does not match one of the colors revealed is eliminated from further play. The operator will then open the two \$40 seal windows, each revealing a different color (word). Each player holding a "HORSE" HOLD ticket with a color matching a color revealed is awarded a \$40 prize. The player holding a "HORSE" HOLD ticket with the color that does not match one of the colors revealed is eliminated from further play. Finally, the operator will open the one \$150 seal window to reveal a color (word). The player holding the "HORSE" HOLD ticket with the color matching the color revealed is awarded a \$150 prize and the game is over.

"HORSE" HOLD prizes are as follows:

- 1 @ \$250 (\$10 qualifying prize, \$20 seal prize, \$30 seal prize, \$40 seal prize and \$150 seal prize.)
- 1 @ \$100 (\$10 qualifying prize, \$20 seal prize, \$30 seal prize and \$40 seal prize.)
- 1 @ \$60 (\$10 qualifying prize, \$20 seal prize and \$30 seal prize.)
- 1 @ \$30 (\$10 qualifying prize and \$20 seal prize.)
- 1 @ \$10 (\$10 qualifying prize only.)
